

SACRED HEART SCHOOL, SILIGURI
CIRCULAR MIDDLE AND SENIOR SCHOOL- 14/2020-21 DATED - 11.05. 2020
BUILDING CHARACTER & MORAL VALUES BUILDING CHARACTER & MORAL VALUES

Dear Parent,

Greetings from Sacred Heart School, Siliguri!

I hope that you are keeping well and safe and in these difficult times, I thank you for your support and faith in our institution.

As a school, we firmly believe the completing syllabuses are a very small part of education! In Sacred Heart School, building moral character through service, physical fitness, skill training and imbibing good moral values are some of the things that as a school community, we believe what comprises good education.

Therefore, from this week onwards, some more aspect of our school curriculum is being included in the online mode of instruction.

This is a gentle request to kindly encourage and see that your ward participates in the tasks set by their teachers. As per the timetable given, this will include-

1. Morning assemblies at 8:45 am every day.
2. At 4 PM alternatively on Mondays, Thursdays and Saturdays, instructions on keeping physically fit through our sports coaches
3. Alternatively, at 4 PM every Wednesday, instruction from our Scout Masters and IAYP masters on providing services.
4. Suggestions from our activity teachers on building skills.
5. A positive message and a song at 6 PM from our pastoral care team and Music Teacher alternatively every day.

Our earnest desire is to have our students back in our classrooms as early as possible once we know everything is safe. Until then, we request your cooperation in helping our students grow in mind and spirit during this period.

Regards,

Prafullamani Pradhan, Principal
