CIRCULAR-Parents/51/2020-21
25.07.2020
The Forth Module for Online Teaching

Dear Parent,

Greetings from Sacred Heart School, Siliguri!

In this 14th week of online teaching, I wish to thank you for your support and cooperation. Without our joint effort, our progress with our dearest children would have been slow and stilted!

This circular is to inform you that as per our earlier Circular No **Parents/45/2020-21**, the third module of online teaching shall be over today, i.e 25.07.20 and the fourth module shall be starting from 30.07.20. We shall be taking a break from academic work for 27th, 28th & 29th July and resuming from Thursday 30th July.

1. The results of the Fourth Assessment for the 3rd Module of Online teaching shall be uploaded in the VAWSUM shortly. The students are being assessed out of 100 marks and this time the assessment is inclusive of many more aspects of learning which requires a student to be independent and self reliant
2. Shortly after the announce of the results, a First Term Report shall be generated for the students on the basis of the three modules of online teaching and the four assessments that has now been completed.
3. The breaks in between the modules is to facilitate both teachers and students to plan for the next module and catch up with all pending work from the previous module. So therefore, I request you to advise your ward accordingly.
4. Presently no decision has been taken for the restart of schools by the Government and as soon as some intimation is received from the Government, we shall be deciding on the procedure to bring back our students to school.

Wishing you good health and safety.

Regards,

Principal
